

ATTENTION ASA COMMISSIONERS AND ADMINISTRATORS! THE LIBERTY MUTUAL RESPONSIBLE SPORTS SPRING GRANT PERIOD HAS BEGUN AND WE REALLY WANT TO CONTINUE TO SEE ASA SOFTBALL TEAMS AND/OR LEAGUES TAKE HOME \$2500! PLEASE FORWARD THIS MESSAGE ON TO EVERYONE AND ANYONE SO THEY CAN GET A GOOD START TO THE GRANT RACE! THANKS! JULIE

ASA Softball leagues can get a piece of the \$65,000 to be given out this spring

ASA Softball partner Liberty Mutual Insurance has a grant program each fall and spring and we have a chance to earn all 20 grants they are giving away from March 1st – May31st. The first step is to forward this email onto your local club administrators so they can register:

ASA Softball leagues: get on board, register your league and put a little effort into this, and get rewarded with a \$2,500 grant, no strings attached. First step: register.

After that, your league earns points by completing a quiz, which takes 5 minutes, and then people can give that point to your softball organization. Get as many people involved as you can, it can be friends, neighbors, family, anyone, to help. All you have to do is be the top in your division, small (under 100 players), large (over 100 players) and school and you win!

Go to ResponsibleSports.com/Grant to register your club.

Since 2007 we've had 7 past softball winners, **and want to see way more!** You can use the money for anything you want. Need help or advice in winning? Email the program manager, matt@responsiblesports.com.
